- Sometimes, it takes a while for the skill to show up as “mastered” on the website. If you think you mastered it, you can move on to another skill.
- Check off the ones you did. You did some of these in school already.
- You do NOT have to master a skill every night. You do need to TRY for 20 minutes every night on one of these skills. If the screen is inactive for 60 seconds, that minute does not count towards your 20 minutes.
- Email Ms. Granstrand a.granstrand@SBCatholicAcademy.org if you have any trouble logging in or have questions.
- In preparation for an assessment on reading and analyzing informational texts, master these IXL skills for practice. We will continue to work on this all year, but we want to see how much progress we have made so far.
